SULTAN BROWDALE, grand champion Shorthorn bull at the 1936 International Live Stock Exposition and American Royal Show as well as at the Illinois, Iowa and Indiana State Fairs. His sire was the champion Glenburn Field Marshal. Sultan Browndale was bred at Edellyn Farms and is now one of the chief stock bulls in the Edellyn Herd. Numerous calves now on the farm prove him to be as great a sire as he was a show bull. A number of the choice females in this sale carry his service.

RAVENI LEADER, junior champion wherever exhibited in 1932, including the International and American Royal and grand champion at the 1933 American Royal Show. Produced from the mating of Browndale Pilot with a daughter of Browndale Star. He is now one of the chief stock bulls at Edellyn and his calves are among the best ever produced in our herd. His sons and daughters are a feature of this sale.

IMP. CALROSSIE GOLDFINDER, one of the chief stock bulls at Edellyn Farms, is one of the most valuable sires ever brought from Scotland to this country. He is a son of the noted Collynie Royal Leader and a half brother to Calrossie Control whose ten sons in the recent Perth sale sold for an average of \$4100.00. On the heels of the showing made by Calrossie Control in that sale, breeders in this country should be most anxious to obtain this same blood through the sons and daughters of Imp. Calrossie Goldfinder that are offered in this sale.

Terms and Conditions

The Edellyn Herd is Federally Accredited. Every animal in this sale has been tested for both Tuberculosis and Bang's Disease and they are guaranteed to conform to the health requirements of any state or herd.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 5 years.

5. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. TERMS: Cash, unless other arrangements are made before sale.

Breeding list furnished sale day.

*We
Invite
You*

IT is our pleasure to again extend you a cordial invitation to attend our Eleventh Annual Sale. As in the past, we feel sure that the cattle will please the most critical. Our policy is unchanged and again we will offer our entire production of bulls as well as a liberal supply of our choicest heifers. We believe this to be the most desirable lot of Shorthorns yet produced at Edellyn and we are confident that those who purchase these animals will greatly strengthen their positions in the field of improved live stock breeding. All admirers of Shorthorn cattle will be welcome at Edellyn Farms on this occasion.

Thos. E. Wilson

TWO young herd bulls from the famous Rookwood Herd, owned by C. F. Curtiss, Ames, Iowa, are offered in this sale along with the sixteen Edellyn bred bulls. You will find them to be outstanding in type and of wonderfully prepotent ancestry.

This sale is the first of an important series of Shorthorn auctions. On Tuesday, June 9th, will occur the sale of T. Dorsey Jones and Earl E. Robbins, at Robinwood Farm, Greensburg, Ind. On Wednesday, June 10, the Indiana Shorthorn Breeders' Association will hold their annual sale at Indianapolis. On Thursday, June 11th, the Maxwalton Sale will be held at Mansfield, Ohio. Directions to those who go by auto from Edellyn Farms to the Jones-Robbins Sale will be announced on sale day.

Breeding dates are not printed in this catalog. A complete list giving the service date of each bred female, will be distributed on sale day.

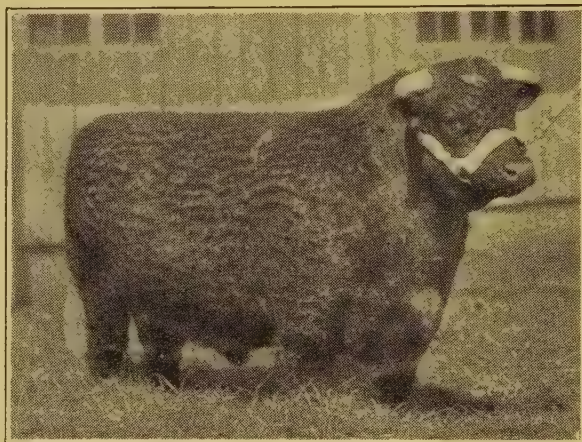

CALROSSIE CONTROL, the bull pictured herewith, is a half brother of Imp. Calrossie Goldfinder, whose sons and daughters are a feature of this sale. Both bulls were sired by the noted bull Collynie Royal Leader. The championship group of three bulls at the recent Perth Sale in Scotland, all sired by Calrossie Control, were sold at an average price of \$8160 per head.

TEN Annual Auction sales have been held at Edellyn Farms. For each successive offering the claim has been made, "This is Our Best," and each year, in spite of ups and downs in prices, this claim for quality has proved true. Constant progress has been the by-word in the Edellyn Herd and this progress has only been attained through rigid culling, the most careful attention to the proper development and health of each calf and a continuous investment in the top individuals both in this country and Scotland. Briefly, those who shape the destiny of the Edellyn Herd practice the same program of improvement that they advocate for others, and in their annual auctions they offer their best productions so that those who are equally anxious to improve may benefit by the progress Edellyn Shorthorns have made.

The Eleventh Annual Auction will be held on Monday, June 8th. Again, in describing the offering, it can be said without fear of contradiction that this is the most valuable lot of cattle ever offered from the Edellyn Herd. A study of the 41 head listed from this famous herd reveals the fact that all were calved on Edellyn Farms, that over half of them are out of the richly bred females purchased by Mr. Wilson in Scotland and that the use of the three great sires Raveni Leader, Sultan Browndale and Imp. Calrossie Goldfinder has resulted in a type that more closely approaches perfection than ever before.

It is my prediction that future Shorthorn history will be made by the bulls listed in this catalog and that breeders who improve their herds by the addition of such females as are offered in this sale will reap the fullest measure of success in the production of correct Shorthorns.—Hal Longley of The Shorthorn World.

Edellyn Emigrant (Imp.) will bring fame and fortune to his new owner. He was bred in Scotland, is a grandson of Naemoor Jasper on his sire's side and a grandson of the noted Collynie Royal Leader on his dam's side. He showed in the same class with Sultan Browndale and was second to him at most every show. His dam is one of the best cows of the breed. A number of beautiful dark colored calves now in the Edellyn herd attest to his worth as a sire and we are breeding many of our best females to him before allowing him to leave the herd. Dam is a beautiful red roan.

Browdale Leader is undoubtedly one of the most valuable bulls ever produced in the Edellyn Herd. He is well-nigh perfect in type, has the head and neck of a real sire and there is not a place on him that isn't covered with thick flesh. If you want a summer yearling that will win and a stock bull of the very highest order, backed by the blood of both Raveni Leader and Brown Dale Count, buy this bull. His dam is solid red and a wonderful cow.

Edellyn Knight Leader is a rich roan of most approved type and one of the best balanced bulls in the offering. He should make a strong show in the summer yearling class this year. BROWNDALE COUNT

Breeders of Four International Grand Champion Bulls

SINCE the International Stock Show was instituted at Chicago, but one herd has produced four grand champion bulls at that supreme court of bovine excellence. That one is Edellyn Farms' Herd. The first of these grand champions won the honor in 1927. The fourth won it in 1935. In the intervening years, three times that most coveted prize was won by grandsons of Edellyn Farms' pre-eminent sire, Browndale Count.

In the ten years beginning in 1925, the get of sire class at the International Stock Show was won three times by the get of Browndale Count and four times by gets of his sons, and in every prominent show since his calves commenced to be exhibited, his descendants have won more high honors than cattle of any other line of breeding.

During the years that this remarkable show ring achievement has occurred, scores of other bulls have been bred and developed at Edellyn Farms that have been used in the best herds in America, and, with these champions, have made greater improvement in the type and quality of Shorthorn cattle than has ever been made in any equal period of time in the breed's history.

Edellyn Herd is the source from which comes the most potent Shorthorn breeding stock. When in need of herd bulls why take chances? Buy where there is positive assurance of getting the best. Buy at Edellyn Farms.

1927 International grand champion, LOYAL BROWDALE. Until his death the chief stock bull at Haylands Farm. Sire, Browndale Count.

1929 International Grand champion, EDELLYN FAVORITE. Formerly chief stock bull in the herd of Col. F. H. Deacon, Unionville, Ont. Now succeeded by his son Glenburn Field Marshal. Sire, Browndale Count.

1928 International grand champion, BROWDALE GOLDSBUR. Now chief stock bull in Allen Cattle Co. Herd. Sire, Browndale Count.

1935 International grand champion, SULTAN BROWDALE. Now one of the principal stock bulls at Edellyn Farms and getting great calves. Sire, Glenburn Field Marshal, a son of Edellyn Favorite.

A Few of the Heifers in This Sale

THE twenty-five females in this sale are the most valuable lot we ever offered from Edellyn Farms. They are individuals of the highest merit and a study of the pedigrees will convince you that they represent a combination of the strongest blood available in this country with the strongest blood of Scotland's most noted herds. Many of these females are safely settled in calf to the two noted champions, Sultan Browndale and Raveni Leader. A list of the breeding dates will be supplied on sale day.—John Dickson, Manager, Edellyn Farms.
